5. Pace of Play and Tee Time Intervals

At Sagebrush Golf Club, we offer 12- and 15-minute tee time intervals, creating a limited field of golfers and providing our guests with a uniquely spacious and exceptional experience. While this allows for a more relaxed atmosphere, Pace of Play remains important and is actively

monitored and enforced to ensure an enjoyable round for everyone. We ask that all guests adhere to the following Pace of Play guidelines:

1. **Target Time for 18 Holes** – A round is to be completed in **4 hours and 40 minutes (280 minutes)** or less for a foursome.
2. **Ready Golf** – Players are encouraged to play when ready, rather than strictly adhering to the honor system, while maintaining safety and etiquette.
3. **Monitoring Pace** – Groups should maintain pace and position to the group ahead. If your group falls behind, the following measures may be taken:
 - A courtesy reminder from our GPS system or a Player Assistant.
 - A request to close the gap within a set number of holes.
 - Being asked to allow faster groups to play through.
 - In cases of significant delay, skipping a hole may be required.
4. **Efficient Play** – Players should prepare for their shot in advance, limit practice swings, and move promptly between shots and holes.
5. **Golf Cart Use** – Follow cart path rules, park carts efficiently near greens, and be ready to exit the cart with the appropriate club when approaching your ball.
6. **Lost Ball Procedure** – If a ball is lost, play a provisional and spend no more than **three minutes** searching before proceeding. Play the sagebrush natural areas as a lateral hazard.
7. **On Course Assistance** – Player Assistants will help maintain the pace of play and ensure all groups stay on schedule. They will “assist” your group when necessary to get back on pace (spot balls, act as a forecaddie, rake bunkers, help you navigate tee shots and approach shots).

We appreciate your cooperation in keeping play enjoyable for all guests. Thank you for respecting Sagebrush’s Pace of Play standards!
